

How to Make Your Platypus Bookmark

You will need:

- brown foam body
- glue
- 2 stick-on eyes
- black foam bill
- 4 black foam flippers
- white pencil

Instructions:

1. glue flippers to body
2. turn body over so flippers are on the underside
3. glue top of bill halfway up head as shown, leaving flap to go over page
4. peel backing from eyes and stick on head
5. draw white web lines on flippers
6. leave to dry

Your platypus bookmark is now ready to mark your favourite page!
